Mr. and Mrs. Robert Kohl
The Glenna Kohl Fund for Hope Inc.
1153 Race Lane
Marstons Mills, MA 02648-1107

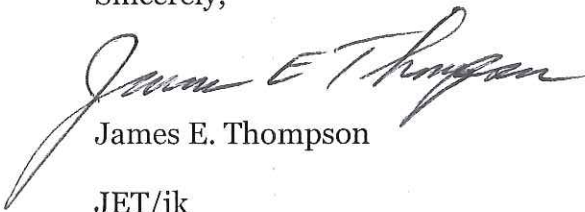

Dear Mr. and Mrs. Kohl:

It is my pleasure to thank you for your generous gift of \$40,000 from the Glenna Kohl Fund for Hope to support the Glenna O. Kohl Melanoma Research Fund at Massachusetts General Hospital. I understand the 4th Annual Angel's Masquerade Ball was a wonderful success, and we remain deeply grateful that you continue to direct the proceeds from your fundraising efforts to support research at Mass General.

The support of our donors and friends is vital to sustaining Mass General's renowned research enterprise. Through your generosity, Dr. Donald Lawrence and the gifted faculty in the Mass General Cancer Center can continue to fuel pioneering discoveries in melanoma research. Your partnership facilitates the efforts of these skilled investigators to develop advanced treatments and therapies for patients at Mass General and beyond, and we are grateful for your contribution to this important work.

Please know that your continued support is an investment in the future of Mass General. Thank you and the Glenna Kohl Fund for Hope again for your gift and for your commitment to advancing this institution's excellence.

Sincerely,

James E. Thompson
